

CMSPINE is an oval spine system with double entry cabling that provides elegant and functional wire management. Expands from the work surface to the floor. A weighted base unit is attached to the system enhancing the product's stability.

The modular design allows users to add or subtract individual rings as required.

Each set includes fifteen rings (ideal for 30" high work stations), one head clip, one edge clip, one clamp and two screws.

Standard Features

- Double entry cabling
- Weighted base
- Set includes: 15x rings, 1x head clip, 1x edge clip, 1x clamp and 2x screws
- Silver color
